Executive Summary
Event Title: Financial Management for SAE Grantees
Date: 09/05/2018
Moderator(s): Chad Aleshire
Speaker(s): Deborah Strama

Financial management is a key component of successful grants management. This webinar features a presentation from Deborah Strama, Fiscal Policy Team Lead, Division of Policy Review and Resolution, Office of Grants Management with the U.S. Department of Labor, providing State Apprenticeship Expansion (SAE) grantees with an overview of financial management principles, fiscal and administration requirements, common fiscal findings, and best practices for avoiding findings. Fiscal team members of SAE grants can use presented information to ensure their programs are in compliance with federal requirements.
